

Miller Canfield Lawyers Contribute to Bankruptcy, Administrative Proceedings and Real Estate Management Publications in Poland

October 19, 2010

Miller Canfield principal Richard A. Walawender (Detroit, Mich.); principal Andrzej Chelchowski (Warsaw, Poland); associate Karolina Niemirska-Fido (Warsaw, Poland); and associate Maja Binkowska (Warsaw, Poland) assisted with preparing three legal books in Poland: Translation of the Bankruptcy and Reorganisation Law, Translation of the Code of Administrative Proceedings and The Public Real Estate Management along with C.H. Beck publishing house, a leading law, tax and economy publishing house in Poland.

Walawender, Niemirska-Fido and Binkowska, in addition to preparing translation of complete text, also provided legal guidance for the Translation of the Bankruptcy and Reorganisation Law, which also highlights the latest amendments of bankruptcy law and restructuring. Bankruptcy and reorganisation law is a modern legal act that governs the issues and effects connected with a debtors' insolvency, both on domestic and international levels. This English edition of the law is helpful to foreign investors, their advisors and Polish lawyers in dealing with the basic guidelines of bankruptcy issues.

The Translation of the Code of Administrative Proceedings, translated by Walawender, Chelchowski and Binkowska, additionally includes comprehensive introduction to the administrative proceedings system. The Code of Administrative Proceedings is one of the key legal acts in the Polish legal system and this edition of the Code will improve understanding of the basic rules of administrative procedure and quality of communication regarding all types of administrative proceedings between Polish and English-speaking lawyers, translators, private individuals, professionals and entrepreneurs.

In a book by Chelchowski, The Public Real Estate Management, Chelchowski provides his legal real estate expertise in the area of management of state and municipal properties. It is available in Polish only.
