Kyiv (Affiliated)

Miller Canfield provides efficient and strategic legal, business and tax services to global clients. Our team of attorneys throughout the world works collaboratively with lawyers in Kyiv to assist clients in the present humanitarian efforts and in Ukraine's recovery and reconstruction. Our lawyers will be assisting clients involved in all aspects of Ukraine's massive reconstruction initiatives, especially those involving housing, industrial facilities and infrastructure.

Services include:

- Establishing operations and incorporating businesses
- Construction and real estate projects
- Infrastructure and project finance
- Customs and import/export matters
- Joint ventures, mergers and acquisitions
- Finance and banking
- Employment matters
- Manufacturing, supply and distribution agreements
- Intellectual property protection
- Arbitration and litigation
- Insolvency and restructuring

Established 2022

Practicing in association and not in partnership with Miller, Canfield, Paddock and Stone, P.L.C.
