Our clients tell us time and again that aside from our work on their legal matters, the most valuable service that Miller Canfield provides is education and training. Our attorneys offer customized courses on important topics including:

- Attorney-Client Privilege
- Contracts
- Employment Issues
- Government Investigations
- Immigration and Legal Issues Facing Foreign Nationals
- IP Management and Protection
- Legal Realities for 18-Year-Olds in the U.S.
- Cryptocurrency Issues
- Diversity, Equity and Inclusion
- Estate Planning for Business Succession

Please **contact us** to discuss how we can help with education for the next phase of your business.
