

Insta, Tweet and Snap - Technology and The Public Records Act

West Valley Water District
December 7, 2017 | 9:30 a.m.
Event Sponsor: California Special Districts Association

ATTORNEYS

Roxanne M. Diaz

This workshop explores the foundation of the California Public Records Act and explains modern day practices and procedures with respect to social media communication tools including personal communication devices, in light of recent case law.

This workshop is offered at no charge through a partnership between CSDA and the Local Agency Formation Commission for San Bernardino County.
