

Joint Powers Authorities

Our Joint Powers Authorities Focus Area helps public agencies to form and operate separate entities that jointly exercise their common powers. With the expertise of our public law attorneys, this Focus Area addresses the wide range of legal issues associated with joint powers authorities such as governance, membership, and liability and risk allocation. We serve as general counsel or special counsel for a diverse group of joint powers authorities across the state, including:

Burbank-Glendale-Pasadena Airport Authority
Marin Clean Energy
Marin Telecommunications Agency
Orange County Fire Authority
San Francisquito Creek Joint Powers Authority
Silicon Valley Clean Energy Authority
