

Municipal Code Enforcement

Richards, Watson & Gershon provides full service code prosecution services for multiple cities, including the Cities of Moorpark, Artesia, Calimesa, Hidden Hills, Highland, La Mirada, Seal Beach, Yucaipa, Jurupa Valley, Upland, and Temecula.

RWG code prosecutors work closely with staff to determine the best course of action to obtain compliance, whether it is through administrative remedies, civil litigation, or criminal prosecution. Code prosecutors conduct office conferences with alleged code violators, obtain inspection and abatement warrants, advise staff regarding permit suspensions and revocations, represent cities in administrative appeals, and prosecute violations through civil litigation or criminal prosecution.

RWG prosecutors are experienced in all aspects of code compliance regarding a variety of cases, including code enforcement, complex nuisance abatement, finance, building and safety, zoning, weed abatement, marijuana dispensaries, and massage establishments.
