Join Richards, Watson & Gershon attorneys at the **2025 League of California Cities Conference** in Long Beach, October 8th and 9th. Take advantage of opportunities to learn from our attorneys, stop by our booth, and join us for our annual reception!

Join RWG attorney **Whitney Floratos** for this workshop which introduces municipal clerks to the fundamentals of artificial intelligence and how they can use this evolving technology. Participants will gain a clear understanding of what AI is - and what it is not - through plain language explanations and real-world examples. Clerks will discuss incorporating AI into municipal clerk operations and the legal and ethical considerations and limitations of AI in a government setting. This hands-on, interactive session will equip participants with practical strategies for responsibly integrating AI into daily workflows - without needing a technical background. Whether you're skeptical or curious, this workshop will demystify AI and help you determine if, how, and when to use it in the clerk's office.

RWG will host a **reception** Thursday, October 9, 2025 from 7:00 to 10:00 p.m. Enjoy hors d'oeuvres, cocktails, music and desserts at the iconic **Parkers' Lighthouse**.

Stop by **booth #1029** on Wednesday, October 8th from 3:00 to 5:30 p.m. and Thursday, October 9th from 9:00 a.m. to 4:00 p.m. to meet RWG attorneys and pick up digital copies of our firm's handbooks on complying with the Brown Act, Conflicts of Interest laws, and the Public Records Act.
