300 South Orange Avenue, Suite 1600, Orlando, FL 32801

Brett Renton is a partner in the Orlando office of Shutts & Bowen LLP, where he is a member of the Business Litigation Practice Group.

A Certified Circuit Civil Mediator, Brett is a Martindale-Hubbell AV® Preeminent™ rated attorney and has been recognized by *Florida Super Lawyers* in business litigation. Brett represents individuals, companies, corporations, banks and government entities in business litigation/transactions, construction law, landlord-tenant matters, and government/environmental issues.

Business Litigation

Brett has handled contract disputes, partnership breakups, dissolution's of companies, franchise/franchisee matters, and debt collection. He also works on both compliance with and litigation over consumer protection laws including the Fair Debt Collection Practices Act (FDCPA), Florida Consumer Collection Practices Act (FCCPA), and the Telephone Consumer Protection Act (TCPA). Additionally, Brett has advised a number of clients concerning their business issues.

Construction Law

Brett represents general contractors and other construction entities on many issues, including payment disputes and construction lien issues.

Landlord Tenant Matters

Brett represents tenants and landlords in all aspects of lease transactions, with an emphasis on commercial leasing. He has handled eviction claims, non-payment of rent actions, non-monetary defaults, and other leasing issues.

Government/Environmental Law

Among other government clients, Brett has represented the Sanford Airport Authority, the government entity that runs the Orlando-Sanford International Airport, for nearly 16 years. Brett has handled compliance issues concerning: financial and document disclosure requirements, public meeting requirements, federal and state grants, the Florida Sunshine Law, employee concerns, construction, environment, eminent domain and inverse condemnation matters. Additionally, Brett

Brett R. Renton

has worked with governments on a number of environmental issues and concerns, especially dealing with the use of PFAS in fire-fighting suppression foams.
