He is a Florida licensed real estate broker with over 30 years of experience representing lenders, developers, investors and servicers in their complex commercial real estate transactions. Don has represented leading private equity firms and real estate opportunity funds, major financial institutions, and prominent institutional investors and developers in a variety of matters, including:

- Complex real property financing and development
- Non-performing loans, including loan modifications, restructurings, and workouts
- Foreclosures and deeds in lieu of foreclosure
