

Construction Partners to Present during RPPTL Construction Law Institute

3.13.23

The Real Property, Probate and Trust Law Section of The Florida Bar will present the Construction Law Institute from March 16-18, 2023, at the JW Marriott Grande Lakes in Orlando, Fla. The Institute gathers leading construction law practitioners, contractors and other industry professionals for a two-day seminar focused on the latest construction issues.

Shutts construction partners [John Dannecker](#) and [Amanda Buffinton](#) will present during the seminar. John and Amanda, who are both Florida Bar Board Certified in Construction Law, will present "The Limitations on Limitations: A Review of Florida's Statute of Limitations and Statute of Repose in 95.11(3)(c)."

For more information on the Institute, please click [here](#).

About John H. Dannecker

[John H. Dannecker](#) is a partner in the Orlando office of Shutts & Bowen LLP, where he is a member of the firm's Construction Law Practice Group. John is Florida Bar Board Certified in Construction Law. In his 34 years in the practice of complex, large dollar construction disputes, John has developed a reputation for bringing an innovative and result-oriented mindset to the dispute resolution process. With construction as his central focus for more than 34 years, John has developed a strong reputation based on his knowledge, experience, trial skills and no-nonsense approach. This experience includes work for developers, contractors, property owners, manufacturers, public bodies and others.

About Amanda B. Buffinton

[Amanda B. Buffinton](#) is a partner in the Tampa office of Shutts & Bowen LLP, where she is a member of the Construction Litigation Practice Group. A Martindale Hubbell AV® Preeminent™ rated attorney, Amanda is also Board Certified in Construction Law by The Florida Bar. Amanda specializes in the litigation and arbitration of complex claims related to professional negligence and design errors and omissions. She also regularly represents design professionals, contractors, owners and developers in various types of construction disputes including claims related to landfills owned by electric generation facilities, storm water systems, retail structures, roadways and bridges, hospitals, municipal wastewater treatment facilities, warehouse structures, large condominium and multi-family structures, and sinkhole remediation design.
