RMHCCF opened the doors to its first House on December 13, 1996 and has grown to include Houses on the campuses of Orlando Health Arnold Palmer Hospital for Children and Winnie Palmer Hospital for Women & Babies, as well as Nemours Children's Health—making it one of just six cities with three or more Ronald McDonald Houses. Throughout the past 25 years in Orlando, RMHCCF has served over 35,000 families and fulfilled its mission to find, create, and support programs that directly improve the health and well-being of children and families. Its cornerstone program, the Ronald McDonald House, provides a home-away-from-home for families with a seriously ill or injured child seeking medical care at a pediatric hospital in Orlando.
