

Firm Website Redesign Honored with Horizon Interactive Award

4.7.21

Shutts & Bowen LLP is pleased to announce that the firm's website has been awarded a 2020 Horizon Award. The [Horizon Interactive Awards](#) is a prestigious international competition recognizing outstanding achievement among interactive media producers. The competition recognizes and awards the best websites, videos, online advertising, print media and mobile applications.

Shutts' website redesign was completed in May 2020 by [Firmseek](#), working in tandem with Shutts & Bowen's Marketing Department and Technology Committee. The site was given a Silver award in the legal websites category. Each year, the Horizon award winners are selected from thousands of entries from all over the world and a volunteer panel of industry professionals from diverse multi-media, graphic design, advertising, and marketing backgrounds review the entries to determine the work that is to be recognized.

This is the second time the website has been honored for its professional quality and versatility. In October 2020, the redesigned website was awarded a 2020 W3 Award. The W³ Awards celebrates digital excellence by honoring outstanding Websites, Web Marketing, Video, Mobile Sites/Apps & Social content created by some of the best interactive agencies, designers, and creators worldwide.
