

Harvey Oyer Again Recognized Among Florida's Most Influential Leaders

Florida Trend
10.30.24

[Harvey E. Oyer III](#), a member of Shutts & Bowen's Land Use Practice Group, has once again been listed among *Florida Trend's* [Florida 500](#). Harvey has been included on this list for 7 years running, ever since its inception.

The list is a year-long research initiative by the editors of *Florida Trend* resulting in a personal, engaging look at the state's most influential business leaders across major industries. The 500 executives included in this edition were selected based on extensive contacts in regional business circles, hundreds of interviews and months of research, culminating in this highly selective biographical guide of the individuals who are moving Florida forward. In addition to *Florida Trend's* own executive editorial team, a variety of sources were used to produce the lists, including input from executives of economic development organizations, professional associations and others who know their communities, industries and the state well.

In the feature, Harvey gives insight on what he's learned throughout his career, his motivational mantra and what he would do if he was governor.
