11.21.22

Jason Gonzalez, Chairman of Shutts & Bowen LLP's Appellate Practice Group and Managing Partner of the Tallahassee office, recently announced the formation of the "Council of General Counsels" at the Florida Chamber of Commerce's Annual Convention, aimed at helping to strategize and find ways to improve the state's civil justice system.

The announcement was made at the Chamber's **annual meeting and Future of Florida Forum** in Orlando, Florida on October 25, 2022. Jason, who will chair the Council, noted that the aim of the council was to help reshape the court so as to mitigate lawsuit abuse and do away with harmful precedent in areas like workers comp and medical malpractice damages.

Jason, along with Charles E. Bailes III, Chair of the Florida Chamber Board of directors, announced the formation of the Council.

"It brings together corporate general counsels, association counsels, and litigation directors with legal experts that are on the forefront of working to solve some of the most difficult problems that we have in our civil justice system," Jason said.
