Leadership Miami® is an annual program sponsored by the Greater Miami Chamber of Commerce and several of Miami-Dade County's premier companies, local agencies and corporations. The program offers participants the opportunity to share an intensive learning experience that focuses on community issues and leadership skills through a planned process of lectures, seminars, small group discussions, and leadership curriculum developed in partnership with local universities. One of the key purposes of Leadership Miami® is to prepare the next generation of Miamians to address vital issues affecting Miami-Dade County and meet future challenges. The program's dynamic format stimulates animated and critical discussions among participants and guest speakers.
