Tampa Connection is a volunteer-run nonprofit organization whose mission is to provide local business professionals with the necessary tools to become active leaders and volunteers in the Tampa Bay Community. Each year, a select group of applicants are chosen to participate in the Tampa Connection "class."

The year-long program exposes class members to leadership development, social, and community service opportunities while immersing them in the local community. Additionally, local nonprofits submit project proposals to the Tampa Connection Board of Directors, with the selected projects to be carried out by the Tampa Connection class during their program year. This unique feature of the Tampa Connection program gives class members an opportunity to directly impact their local community in a positive way.
