On June 24, 2021, the Greater Orlando Builders Association (GOBA), announced the winners of its first annual HYPE (Honor Your Partners Excellence) Awards, recognizing Shutts & Bowen as the honoree for “Attorney of the Year.”

The HYPE Awards is a newly created program highlighting the achievements of GOBA's trade partners, vendors and suppliers with industry-wide recognition. With over 300 sub-contractor nominations in a series of categories submitted by Central Florida builders, GOBA's HYPE Awards showcased 2021's trade professionals excelling in quality, service and performance in residential construction.

The winners in each of the 20 categories were revealed amongst 150 industry peers at an awards celebration in Orlando. At the inaugural event, Shutts was honored in the “Attorney of the Year” category.

“As a longtime member of GOBA with a great appreciation for all that GOBA provides for its members within the construction industry, it is truly an honor to receive this award and I am very grateful for such recognition,” said [Erik Szabo](#), a Construction partner in Shutts & Bowen's Orlando office and an Associate Director on the GOBA board.
