Shutts & Bowen LLP is pleased to announce its inclusion among the top ten firms listed in the Daily Business Review's 2025 DBR 100, the 100 largest law firms in Florida.

Shutts & Bowen's attorney tally places them near the top of Florida's largest firms by headcount, highlighting the firm's significant scale and statewide reach. Shutts' presence across eight Florida cities also reinforces the firm's role as a major legal player in the state's marketplace, underscoring its influence and stability.

According to the article, many midsize and large law firms increased their Florida headcounts in 2024, including Shutts with a 2.6% increase in attorneys over their 2023 numbers.

The DBR 100 complements other DBR lists released simultaneously, such as rankings by gross revenue, revenue per lawyer, and profit per equity partner, offering a comprehensive snapshot of market size, earnings, and profitability within Florida's legal sector.
