

Shutts & Bowen Named Among 2025's Top 50 Construction Law Firms

6.5.25

Shutts & Bowen LLP is pleased to announce that it has ranked No. 24 nationwide in *Construction Executive's* 2025 rankings of "The Top 50 Construction Law Firms™."

Climbing the rankings among the top firms in the country for the fourth consecutive year, Shutts is the only firm on the list with a construction practice dedicated solely to the State of Florida. The firm jumped from No. 27 in 2024 to the No. 24 spot in 2025. The Shutts [Construction Practice Group](#) is a nationally recognized practice providing first-class legal services across an array of projects, from negotiating contracts, managing risks, or resolving disputes to helping to get challenging projects structured, approved and completed. The diverse group of experienced attorneys apply their knowledge of Florida-specific issues affecting construction matters today to represent their clients' business interests.

Now in its 23rd year of publication, *Construction Executive* is the leading trade magazine about the business of construction. In its May/June 2025 issue, *CE* published a comprehensive ranking of *The Top 50 Construction Law Firms™* featuring breakouts and analysis accompanied by an article in which leading law experts discuss their construction clients' most pressing business concerns. To determine the ranking, *CE* asked hundreds of US law firms with a construction practice to complete a survey. Data collected included: 2024 revenues from the firm's construction practice; number of attorneys in the firm's construction practice; percentage of firm's total revenues derived from its construction practice; number of states in which the firm is licensed to practice; year in which the construction practice was established; and the number of AEC clients served during fiscal year 2024. The ranking was determined by an algorithm that weighted these factors in descending order of importance.
