

Shutts & Bowen Represents Beardmore Auto Group in Sale to Morrie's Automotive Group

Orlando
4.23.26

Shutts & Bowen LLP recently facilitated Beardmore Auto Group in the sale of its automotive dealerships to Morrie's Automotive Group, marking a significant transaction in the Midwest auto retail market.

Beardmore Auto Group, a fourth-generation, family-owned dealership group founded in 1919, operated three franchised dealerships in Bellevue, Nebraska, including Beardmore Subaru, Beardmore Chevrolet and Beardmore Hyundai.

Morrie's Automotive Group, a Minnesota-based dealership platform with more than 30 locations across the Midwest, acquired the dealerships as part of its continued regional expansion and entry into the Nebraska market. The deal underscores continued consolidation in the automotive retail sector, particularly among high-performing non-luxury franchises in growing regional markets, which continue to attract strong buyer interest.

Orlando partner [J. Gregory Humphries](#) served as legal counsel to Beardmore Auto Group in connection with the transaction, facilitating the successful negotiation and execution of the sale and guiding the client through all aspects of the transaction from structuring to closing. He was assisted by attorney [J. Cameron Katz](#) and [Patrick Salmon](#).
