

Shutts & Bowen Welcomes Thirteen Law Students to Summer Associate Program

6.12.24

Shutts & Bowen LLP is pleased to have thirteen law students joining our 10-week Summer Associate Program in 2024.

The firm's [program](#) is designed to provide an intellectually challenging and professionally gratifying experience for law students. Students have the freedom to explore all practice areas that interest them and experience the different aspects of the firm's legal services. Summer Associates are paired with a mentor to offer insights into the history and culture of Shutts and gain a sense of what it is like to work at a nationally recognized law firm.

The students will take part in firm-sponsored social events and community service projects throughout the summer in addition to attending client meetings, depositions, court hearings and other proceedings.
