Shutts & Bowen LLP was recently recognized on the *Orlando Business Journal's* 2026 "Central Florida's 60 Largest Law Firms" list, ranking No. 4 among national and international firms based on the total number of practicing attorneys in the Central Florida market.

This ranking underscores the firm's substantial presence and continued growth in a highly competitive regional legal landscape. The list highlights key data for each firm, including Central Florida-based attorney headcount and figures across major practice areas such as litigation, construction and real estate. This latest ranking continues a trend of strong regional recognition, building on prior acknowledgements in both Central Florida and statewide rankings, including the *Tampa Bay Business Journal* and *South Florida Business Journal*.

"Shutts & Bowen's continued recognition confirms our position as a leader in Central Florida's legal community," said [Daniel O'Keefe](#), Managing Partner of the Shutts Orlando Office.
