Shutts & Bowen LLP is proud to share that [Deedee Bitran](#), Of Counsel at the firm, was recognized as an *Artist of Resilience Honoree* at the “Rising from the Flames” exhibition held on May 14 at the Posnack JCC in South Florida.

The recognition celebrates individuals who lead with heart, courage, and generosity, and who have made a meaningful impact on the Jewish community in recent years.

Curated by Jewish philanthropist and art curator Ariel Penzer, the exhibition featured Israeli and Jewish artists whose work and exhibitions faced boycotts, vandalism, and exclusion because of their identities.
