In an article titled “Why the Commercial Real Estate Outlook Remains Sunny,” the [South Florida Legal Guide](#) interviewed several South Florida real estate attorneys about the area’s commercial real estate market and its ability to continue its decade-long recovery from the Great Recession.

[Art Menor](#), Managing Partner of the West Palm Beach office of Shutts & Bowen and Chairman of the firm’s Real Estate Leasing Practice Group, described the office market in West Palm Beach, stating that many Class A office towers are nearly fully leased. “There are a number of new projects on the drawing board, but it will take some time before they come online,” he said.
