Sun-Sentinel

Brendan Barry, a partner in the firm's Ft. Lauderdale office, was recently published in South Florida's *Sun Sentinel* on the renovation and expansion of the Port of Mariel. The renovation will significantly increase the port's transshipping capacity. Businesses that will be affected, writes Barry, need to evaluate what they need to remain competitive as well as capitalize on the expected increase in opportunities for business as a result of more cargo arriving in local ports.
