Shutts & Bowen is pleased to announce the addition of Coral Springs Vice Mayor Dan Daley to its [Business Litigation](#), [Land Use and Zoning](#) and [Equine Law](#) practice groups in the firm's [Fort Lauderdale](#) office.

"We are extremely pleased Dan is joining the firm. His commitment to the community and his experience in Tallahassee is invaluable," said [Joseph M. Goldstein](#), Managing Partner of the Fort Lauderdale office of Shutts & Bowen and a member of the Business Litigation Practice Group.

Daley previously worked for the Florida House of Representatives as a Legislative Aide to State Representative Ari Abraham Porth. In this role, he contributed to the successful passing of the Jeffrey Klee Memorial Act, which eliminated the statute of limitations on murder or manslaughter in civil cases. He also worked in support of programs to help the homeless and legislation that led to the creation of the Office of the Inspector General in Broward County, a position that targets government waste and corruption.

Before enrolling in law school, Daley was elected to the City Commission in November 2012. He was reelected unopposed in 2014 and was named Vice Mayor in November 2015. He is the youngest person ever elected to office in Coral Springs, Fla.

He currently serves as Second Vice President of the Broward League of Cities and as the Urban Administration Policy Committee Chair of the Florida League of Cities.

Daley earned his bachelor's degree in political science and criminology from Florida State University. He received his J.D. from Shepard Broad College of Law at Nova Southeastern University. While in law school, Daley interned with Judge Melanie May, in Fourth District Court of Appeal.
