

Eleven Attorneys Named to Florida Trend's Legal Elite

7.6.11

Eleven Shutts & Bowen attorneys throughout the State of Florida have been recognized in *Florida Trend's 2011 Florida Legal Elite*.

Last fall, lawyers in Florida were asked by *Florida Trend* to name attorneys they hold in the highest regard or would recommend to others. Ballots were processed, checked and tabulated by a third party resource. Each lawyer was given a score based on the number of votes he or she received and whether the votes came from within their firm or outside their firm. The list of top vote-getters was further examined using membership status and practice histories provided by the Florida Bar. A panel representing a variety of practice areas in cities across the state, reviewed the selection process and the list of finalists.
