

Peter Abreu Recognized as SFBW Apogee Awards Honoree

8.9.19

[Peter Abreu](#), Chief Information Officer for Shutts & Bowen, was recognized as a *South Florida Business and Wealth* Apogee Awards Honoree. Peter will be honored at the 2019 Apogee Awards on October 23rd at Gulfstream Park.

The Apogee Awards is a unique awards program created by *South Florida Business & Wealth* (SFBW) magazine to recognize distinguished leaders who hold positions in the C-Suite of companies. The event will honor a small group of individuals in South Florida whose dedication to their occupation and to their industries and communities deserves particular recognition.

About Peter M. Abreu

Peter Abreu is a seasoned technology leader with more than 35 years of experience, serving the South Florida legal community since 1982. Since joining Shutts & Bowen LLP in 2002, he has overseen 100% of the technology-related initiatives for all of the firm's offices and is also responsible for the day to day technology operations, IT strategic planning, cybersecurity and disaster preparedness. He has served as a technology-driven executive, managing the firm's varying technology and e-discovery needs and has designed, overseen and completed many projects towards the end goal of maximizing efficiencies throughout the firm and the practice of law.
