

Shutts Celebrates Family during Take Our Daughters and Sons to Work Day

2.5.16

Shutts and Bowen is proud of its legacy of celebrating family. Today, Miami-Dade county students discovered career possibilities and observed what occurs during a typical work day.

Business litigation attorney [Patrick Brugger](#) and legal assistant Arlene Plasencia-Reyes brought their children to the Miami office, where they were met with enthusiasm and appreciation from colleagues.

Miami-Dade County observed the program today instead of the national April 28 observance in order to minimize disruptions to scheduled testing.
