

Shutts help serve families for Thanksgiving with Uber and United Way of Palm Beach County

11.24.15

Shutts & Bowen, along with Uber and many other local businesses in Palm Beach County, helped deliver Thanksgiving dinners to families in need through the United Way of Palm Beach County.

Over 23,000 families registered to receive donations this holiday season. The attorneys and staff and the West Palm Beach office came together to help make a difference this holiday season by gathering donations. Uber is going to each office to collect the food, which then will be collected and distributed by the United Way.

If you're new to the Uber service, use the promo code TURKEY to get your first ride free. Doing so will also contribute \$5 toward the United Way of Palm Beach County.
