

## Shutts Miami Office Collects Almost 400 Toys for The Salvation Army Angel Tree Program

12.11.15

This year, the Shutts Miami office committed to adopting 300 angels for The Salvation Army Angel Tree Program. Attorneys and staff collected almost 400 toys for underprivileged children across our community. The Shutts Miami office has participated in this initiative for approximately 10 years.

Since 1985, The Salvation Army Miami Area Angel Tree Program has provided Christmas assistance for disadvantaged children in the community. Last year alone, thanks to the support of generous companies, nearly 3,000 children were positively impacted during the Christmas holiday season. The Angel Tree Program is one of the largest and longest-standing holiday giving initiatives in Miami.
