

Shutts Tampa to Host Project H.E.L.P. Reception

4.13.17

On May 17, Shutts & Bowen will host the second annual Project H.E.L.P. (Homeless Experience Legal Protection) reception in the Tampa office. Project H.E.L.P. enlists local attorneys, paralegals, law students and other legal professionals to provide free legal clinics to homeless individuals.

The first reception, held in June 2016, launched Shutts & Bowen's new role as the Tampa program coordinator for Project H.E.L.P. The local legal community is encouraged to attend the reception and learn more about how to volunteer with the program.

To learn more about Project H.E.L.P. or to attend the reception in the Tampa office, please contact [Ella Shenhav](#) at EShenhav@shutts.com.
