

Steve Maher Discusses NFL's Standard of Review in DBR Article

1.31.17

In today's issue of the *Daily Business Review*, appellate chair [Steve Maher](#) provides insight to the National Football League's instant replay rules. According to Steve, it's time for a new approach.

Based on his experience in appellate practice, Steve suggests the NFL consider loosening its standard of review and not require indisputable visual evidence to reverse a call on the field during instant replay.
